

2017 VACUUM LEAF PICKUP

- Remember to rake leaves to the edge of the grass. **Do not rake leaves onto the road.**
- Help reduce potential flooding by keeping curbside storm drains clear of leaves.
- Help our crews by removing cars from the street during leaf pickup.

**OCT. 30–NOV. 3
AND NOV. 20–24**

MISSISSAUGA

mississauga.ca/leafpickup

The City of Mississauga will provide boulevard/ ditch Vacuum Leaf Pickup in your area during the two weeks listed on the front of this card. Timing may vary based on weather conditions and quantity of leaves.

How do I prepare for leaf pickup?

Rake your leaves into a neat pile on the boulevard's edge or into your ditch by **Sunday** of the week prior to your scheduled Vacuum Leaf Pickup. Do **not** mix items such as wood, brick or brush with leaves as it could damage equipment or injure workers.

What if I miss scheduled leaf pickup for my area?

Please remove leaves from the curbside or ditch to prevent potential flooding. Put the leaves in paper yard waste bags, bushel baskets or reusable containers without lids. Place at the curbside for pickup by the Region of Peel on your regular waste collection day. **Yard waste will be collected until December 14, 2017.**

For further information on yard waste collection, call the Region of Peel at **905-791-9499** or visit **peelregion.ca**

More Questions?

Contact the City of Mississauga's Citizen Contact Centre from Monday to Friday 7 a.m.-7 p.m. (Outside city limits 905-615-4311)
