

# Regular Maintenance

Runway 05/23 will be closed overnight from April 22 to June 4, to facilitate resurfacing of Runway 15R/33L.

## Impacts

- Maintenance contingency preferential runways, 06L/24R will be used during this time.
- There may be some use of Runway 15L for departures of heavy, long-haul flights

Typical use of Preferential Runway system

Expected use of Preferential Runway system with closure

-  Regular use
-  Occasional use (Runway 05/23 unavailable)
-  Rare use (strong northerly or southerly winds)
